

Application for change of supervisors

In accordance with the Higher Education Ordinance a doctoral student who so requests has the right to change supervisors. A decision to change supervisors is taken by the Faculty Board's Committee for Third-cycle Studies after consultation with the School. Should the question of a change of supervisors arise, the doctoral student shall submit a written request for this, enclosing a revised individual study plan signed by the doctoral student, all the supervisors involved (outgoing and incoming) as well as the Dean of School. The application to change supervisors shall be sent to the executive officer for third-cycle studies at the Division of Education and Research Administration (UFO).
