

Course Syllabus – Third-Cycle Course

Health and Welfare – Perspectives on Co-production and Implementation, 7,5 credits

Hälsa och välfärd – Perspektiv på samproduktion och implementering, 7,5hp

Course code	FHVV015
Established date	2022-05-23
Established by	School of Health, Care and Social Welfare
Valid from	Fall semester 2022
Main fields of study	Care Sciences, Public Health Science, Physiotherapy, Social Work and Work Life Studies
Area of education	Health and Welfare
Level of the course	Third cycle
Language	English
Grading system	Two-grade scale

Objectives

The objective of the course is for students to acquire additional in-depth knowledge of co-production and implementation in research and development to meet future challenges within the health and welfare sector.

Learning outcomes

On completion of the course the student is expected to be able to:

1. define and contrast core concepts and perspectives on co-production and implementation
2. make a case for and evaluate co-production for research and development efforts through cross-, multi- and interdisciplinary collaboration
3. formulate and analyse how research-based evidence can be disseminated and implemented, based on theories and frameworks for implementation

4. analyse and evaluate future societal challenges and how co-production and implementation can contribute to societal benefit of the student's doctoral thesis work

Course content

- Societal challenges within the domain of health and welfare
- The relationship between research and practice
- Definitions, core concepts and critical discussions about co-production, implementation and societal benefit
- Participatory research
- Cross-, multi- and interdisciplinary cooperation within research and development
- Theories and models in implementation

Specific requirements

A Bachelor's degree in Public Health Science, Physiotherapy, Medical Science, Psychology, Social Work, Sociology, Caring Sciences with Specialization in Nursing, or the equivalent.

Management, teams and organisations in health and social welfare, or the equivalent.
